

The Alien Story

Put the story into the correct order.

<p style="text-align: center;">1</p> <p>Other people who prefer to believe in a scientific explanation have suggested that electrical forces in the atmosphere caused this and other incidents.</p>	<p style="text-align: center;">2</p> <p>Suddenly, a strange light seemed to be on top of the car, sucking it up off the road before dropping it down again.</p>
<p style="text-align: center;">3</p> <p>Meanwhile, a local lorry driver following the same route as Mrs. Knowles confirmed that he has also seen the strange light in the distance.</p>	<p style="text-align: center;">4</p> <p>In a state of shock, they drove to the nearest town and reported the incident to the police.</p>
<p style="text-align: center;">5</p> <p>Thinking that the woman must have been so tired that she was dreaming, the police gave her a cup of tea hoping to calm her down.</p>	<p style="text-align: center;">6</p> <p>Finally, the police agreed to inspect the car and when they did, they saw the dust, smelt the smell and also noticed some small dents in the roof of the car.</p>
<p style="text-align: center;">7</p> <p>Feeling terrified and out of control, the family noticed a black powder seeping inside their car and smelt a horrible stench.</p>	<p style="text-align: center;">8</p> <p>This story was quickly taken up by some people as proof of the presence of aliens on earth.</p>
<p style="text-align: center;">9</p> <p>When she saw a light flashing on the road ahead, she slowed down thinking that it was a traffic signal</p>	<p style="text-align: center;">10</p> <p>Mrs. Knowles and her three sons were driving from Perth to Adelaide in the early hours one morning in 1988.</p>
